UNIQUE ICELAND
– in search of the Northern Lights - 4 days

Departing: 15th December 2017, 12th & 19th January, 2nd, 9th & 23rd February & 2nd March 2018

Iceland is not just another holiday destination. It is a country offering amazing scenery with stunning waterfalls, volcanic craters, hot springs and geysers. The capital, Reykjavik, is a vibrant city offering a choice of shops, bars and restaurants – and for the night owl, a vibrant music scene. Included in this tour is a Northern Lights tour which takes you to see a spectacular natural phenomenon which happens during the winter months. The Northern Lights, also known as Aurora Borealis, are caused by the interaction of particles from the sun with the upper atmosphere near the North Pole.
