Due to its great success in 2009, Travel Solutions is once again delighted to offer you a programme to the popular island of Jersey for 2010. However for 2010, we have the added bonus of a Saturday departure, as well as the Wednesday. This idyllic cosmopolitan island, although a mere 45 square miles, is unique with its blend of British and French influences and a haven for those seeking a relaxing and rewarding holiday. It is packed with a diverse range of sights, activities and experiences, offering something for everyone! From stunning coastal walks, cliff top castles, award winning restaurants, cafes, bars, watersports to Jersey's history of World War Two.

Our holidays include direct flights from Belfast International with ideal flight times, carefully selected 3\* hotels located in the centre of St Helier and return coach transfers from the airport to your hotel.

If you would like to explore the island at your leisure, we have sourced great value car hire that can be conveniently delivered to your hotel. However if you would prefer not to drive, you can still explore the island by joining a great selection of optional excursions, that will be made available to you by a local representative.

With all these reasons to go to Jersey including the warm hospitality of its people, your trip to Jersey promises to be not only enjoyable, but memorable!
