ST PATRICK'S DAY

Galway & Whiskey Taster

4 DAYS FROM
£265

St. Patrick's Day celebrations are held in cities all over Ireland and Galway is no exception. 2017 marks the 114th anniversary of the Galway St. Patrick's Day Parade and is a platform to showcase local artists and community groups. It aims to celebrate the cities diverse culture and talent with a carnival atmosphere that the whole city can be part of. The beauty of the Galway Parade is that it is small enough to truly feel a part of, yet big enough to create a special atmosphere. Also included is a visit to Kilbeggan Distillery, the oldest licensed distillery, for a guided tour and a visit to Athlone where you can shop in the many quaint boutiques and antique stores along the riverfront, or experience a magnificent journey through history at Athlone Castle where seven years of history are brought to life.
