Prague Christmas Markets - Fly direct from Dublin

Christmas markets are a key ingredient of the festive magic in the Czech Republic. And the Prague Christmas markets are the country's most impressive, lighting up the city, bringing locals and tourists together to share in the spirit in a 'winter wonderland' setting. The main Christmas markets are held at the Old Town Square and Wenceslas Square (5 minutes' walk from each other). Prague Christmas markets are a 'winter wonderland' for visitors to soak up the festive atmosphere, browse the stalls and enjoy Christmas carols, hearty foods and hot wine.

But the Christmas markets are not just about shopping. Visitors can also observe traditional foods being made, and sample all manner of local food and drink. Outdoor Christmas shopping is so much nicer with a cup of hot mulled wine in your hand! Most impressive of all is the Christmas tree, it is erected at the Old Town Square and draped in a blaze of lights. Wenceslas Square has its own brightly lit Christmas tree too, which can be admired from all over the square.

The festive atmosphere in Prague throughout December is simply wonderful!
