EASTBOURNE, SUNTRAP OF THE SOUTH

The Sussex Coast, Brighton & 1066 Country

Eastbourne is an elegant seaside resort on the Sussex coast and benefits from a higher than average sunshine record compared to other resorts on UK's mainland. On this tour we discover some of the highlights of the south east corner of the country including Brighton, often referred as London-by-Sea.

ITINERARY

DAY 1
Check-in at Belfast City Airport for our flight to London Heathrow and transfer to your hotel in Eastbourne.

DAY 2
This morning we travel to cosmopolitan Brighton for some time to discover the town at our leisure. Explore the many boutiques in the twisting alleyways of the famous Lanes, bustling promenade, Victorian Pier and superb shopping centres. In the afternoon we will visit the Royal Pavilion, one of the most dazzling and exotic buildings in the UK. Homeward bound, we will stop off at Beachy Head to enjoy the spectacular cliff top views.

DAY 3
After breakfast we take a journey back to the victorian era as we board a vintage steam locomotive on the bluebell railway for an 11 mile journey through the beautiful Sussex countryside. In the afternoon we visit the medival town of Rye with its cobbled lands and half-timbered houses. We then make our way to the popular seaside town of Hastings where we have time to visit the old town with its narrow streets and passageways and the black net huts on the seafront.

DAY 4
We have time to relax at the hotel before leaving for London Heathrow Airport for our return flight to Belfast City Airport.
