ITINERARY

SATURDAY:

Meet your coach at your selected pick-up point. We'll travel south towards Ennis (stopping at Galway en-route time permitting) and arrive at the West County Hotel to welcome tea/coffee and biscuits. Unpack and relax before tucking into a typical Irish Themed gala meal with included entertainment. There will be nightly live entertainment held in Boru's bar for you to enjoy, getting you in the mood for the main event tomorrow.

SUNDAY:

What a way to spend St Patrick's Day! The day kicks off as we capture the excitement and colour of the Parade in Ennis as it swirls past in all its glory. Enjoy the craic with locals and visitors - who all make the atmosphere something really special. Tired but happy, we'll return to the hotel to enjoy our evening meal.

MONDAY:

After Breakfast we will depart the hotel (departure time will be confirmed by your tour manager). Blow away the cobwebs on a drive through the stunning natural wonder of the Cliffs of Moher, that rise majestically from the ocean. We'll make our way back through the un-spoilt beauty of the Burren, the limestone plateau bursting with unique exquisite flora and fauna including rare species of orchid and beautiful rockroses. Arrive back at the hotel to a demonstration of how to make the perfect cheesecake followed by a whiskey tasting before our evening meal and live entertainment.

TUESDAY:

This morning after breakfast and checking out (departure time will be confirmed by your tour manager), we'll say goodbye to the West County and join the coach for the journey home back to our original pick-up point making comfort stops en-route.
