2020 SAILINGS

Black Watch

Includes flights from Belfast or Dublin

Black Watch is sleek, intimate and harks back to the days when cruise ships were revered for their style and charm. The ultimate home-from-home at sea; Black Watch is spacious with a friendly and familiar feel, and provides guests with a traditional cruise experience rather than gimmicks such as climbing walls and on board bumper cars. This is further enhanced by the ship's attentive staff who strive to offer Fred. Olsen's renowned personal service and remember the important things, such as your name, your favourite tippie and how you like your breakfast.

Having undergone a thorough refurbishment in late 2016, Black Watch features a selection of stylish suites and rooms, restaurants and spacious public rooms that provide guests with everything needed for a comfortable, enjoyable and stress-free holiday, while retaining the elegant style of a traditional cruise ship.
