

ESCORTED TOURS BY COACH AND AIR

2020

Welcome!

Thank you for picking up a copy of our 2020 brochure.

It is always an exciting time for Travel Solutions when we launch our new escorted programme, and this year is no different. We have been operating escorted tours for over twenty years and my team work hard to ensure we get a great mix of our most popular tours together with tours to whet your appetite for something new.

We are very proud to have again won Best Escorted Tour Operator (2018, 2019) in the prestigious Northern Ireland Travel & Tourism Awards. But we never rest on our laurels as we understand that we must work harder to maintain the high standards and great value that we have become renowned for.

Please delve inside our brochure where we continue to offer a great mix of holiday choices – all designed with you in mind. Stay close to home with one of our tours to the south of Ireland, travel 'across the water' for some fantastic tours to some of Britain's most popular visitor destinations, or into Europe, with flights from Belfast or Dublin included.

Our Family Fun tours remain extremely popular and feature in a separate brochure. Choose between some of the UK's biggest family attractions, plus selected departures to Legoland® Windsor Resort and the Harry Potter Studio tour. Ask for a copy of our Family Fun brochure but remember to book early as these tours sell out very quickly.

A big **thank you** to those many customers who travel with us year after year. We are always pleased to welcome you back, and we are also excited to welcome new customers, as this allows us to showcase our tours.

Travel Solutions offers a wide range of holidays, many are not featured in this brochure, but can be found at www.travel-solutions.co.uk. Please remember to check this website as we regularly add new tours throughout the year.

We look forward to welcoming you onboard in 2020!

Thank you and best regards

Peter McMinn
Managing Director

PAYMENT ARRANGEMENTS

We can only confirm your holiday on receipt of a non-refundable deposit:

£100 per person for holidays by air

£50 per person for holidays by coach

This deposit will secure your place and guarantee your holiday price. The balance of your holiday is due no later than 8 weeks before departure. Pay by credit card or debit card at no extra charge.

IMPORTANT NOTICE ON HOLIDAY PRICES

Uncertainty regarding the UK's exit from the European Union (Brexit) and its effect on currency exchange rates may cause holiday prices in this brochure to increase. Travel Solutions guarantees that once you have paid your deposit the price of your holiday will not increase.

100% FINANCIAL PROTECTION

It is important that you feel confident that your money is safe. We offer all our customers 100% financial protection, and in the unlikely event that Travel Solutions ceases to trade, arrangements will be made for you to continue with your holiday, or receive a prompt and full refund of any monies paid. For holidays by air, you are protected with our ATOL issued by the UK Government – this is a legal requirement for all Tour Operators selling holidays by air. As part of consumer financial protection, the CAA charge a £2.50 per person levy. This is already included in your holiday price so that you don't need to worry.

In addition, an ATOL Certificate will be issued at the time of booking to confirm the financial protection in place. For holidays that don't include a flight, Travel Solutions complies with the Package Holiday Act 2018 and operates a Client Trust Account which is administered by an independent Trustee.

MINIMUM NUMBERS

Whilst Travel Solutions endeavours to operate all holidays featured in this brochure, they are all subject to reaching a minimum booking number. In the unlikely event that we cancel a holiday we will give you plenty of notice.

THINGS TO KNOW BEFORE BOOKING

Before booking a holiday with Travel Solutions it is important that you are aware of the following:

- All holidays are subject to our Terms & Conditions, which can be found on pages 38 & 39 and on our website www.travel-solutions.co.uk. Please read the Terms & Conditions carefully as they form a legal contract between you and Travel Solutions.
- Our Customer Care Team must be informed at the time of booking if you or any member of your travelling party have a severe mobility problem or require assistance during the holiday. We will advise the suitability of the holiday.
- Any other room type must be requested at the time of booking. Some hotels offer a 'rollaway' type bed as the 3rd bed in a room; and Travel Solutions does not consider these suitable for adults and recommend booking a single room.
- Family rooms, where available, may vary in layout and bed configuration depending on the particular hotel. Child prices are applicable to children under 12 years sharing a room with two adults, unless otherwise stated. Infants under 2 may be subject to a small charge.
- Any special dietary requirements should be advised at the time of booking to ensure your hotel is made aware of your specific needs.
- Where your holiday includes a ticketed event, we will endeavour to allocate seats together, however this may not always be possible, especially for larger groups.
- On holidays that involve coach travel, Travel Solutions operate a strict no smoking - includes e-cigarettes and no alcohol policy on board. Many hotels now only offer non-smoking rooms.
- Visas are not required for British & EU passport holders, however for other countries Visa requirements are the individuals responsibility.

Please ask a member of our Customer Care Team if you have any queries.

OBERAMMERGAU PASSION PLAY 2020

The history of the Passion Play dates to 1633. After months of death caused by the plague the villagers of Oberammergau made a solemn oath that if God stopped the plague then, as thanks, they would perform a play depicting the life of Christ. Miraculously, the plague took no more lives, and true to their word the villagers performed their first play in 1634 and have continued to do so to this day. The Passion Play is performed every ten years.

Terms & Conditions

WHY SHOULD I READ THIS?

The following booking conditions form the basis of your contract with us. Please read them carefully as they set out our respective rights and obligations. By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these booking conditions and agree to them. In these booking conditions "we", "us", and "our" means, depending on the context, either Travel Solutions of Belfast Limited where you booking a flight inclusive holiday or Travel Solutions Ireland Limited in the case of non flight inclusive holidays. "You" and "your" means all persons named on the booking (including anyone who is added or substituted at a later stage) or any of them as the context requires. These booking conditions only apply to holiday arrangements which you book with us in the UK and which we agree to make, provide or perform (as applicable) as part of our contract with you. All references in these booking conditions to "holiday", "booking", "contract", "package", "tour" or "arrangements" mean such holiday arrangements unless otherwise stated.

MAKING A BOOKING

The first named person on the booking ("party leader") must be authorised to make the booking on the basis of these booking conditions by all persons named on the booking and by their parent or guardian for all party members who are under 18 when the booking is made. By making a booking, the party leader confirms that he/she is so authorised. The party leader is responsible for making all payments due to us. The party leader must be at least 18 when the booking is made. Subject to the availability of your chosen arrangements, we will confirm your holiday by issuing a confirmation invoice. This invoice will be sent to the party leader or your travel agent. Where you book through our website, any electronic acknowledgement of your booking is not a confirmation of it. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information which appears on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We regret we cannot accept any liability if we are not notified of any inaccuracies (for which we are responsible) in any document within five days of our sending it out. We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

HOLIDAY PAYMENT

To make a booking you must pay a deposit in order to confirm your chosen arrangements. The amount of the deposit will be advised by us at the time of booking but it is normally £50 per person for non air holidays and £100 per person for air inclusive holidays unless a different amount applies for your chosen arrangements, full payment is required if booking within 56 days of departure. The balance of the price of the holiday is due for payment no less than 56 days before departure for all holidays. If we do not receive all payments due in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges set out below depending on the date we reasonably treat your booking as cancelled. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

Pay by credit card or debit card at no extra charge. Book on our website - www.travel-solutions.co.uk or by telephone.

YOUR CONTRACT

A binding contract between us comes into existence when we despatch our confirmation invoice to the party leader or your travel agent. We both agree that Northern Irish law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") except as set out below. We both also agree that any claim must be dealt with by the Courts of Northern Ireland only unless, in the case of Court proceedings, you live in Scotland or England and Wales. In this case, proceedings must either be brought in the Courts of your home country or those of Northern Ireland. If proceedings are brought in Scotland or England and Wales, you may choose to have your contract and any claim governed by the law of Scotland/England and Wales as applicable (but if you do not so choose, Northern Irish law will apply).

IF YOU CANCEL YOUR BOOKING

If you or any member of your party want to cancel your booking after we have confirmed it, the party leader must immediately advise us in writing (not by email). Your notice of cancellation will only be effective when it is received in writing by us at our offices. We will ask you to pay cancellation charges per person on the scale shown below. Cancellation charges are calculated on the basis of the total cost payable by the person(s) cancelling, excluding credit/charge cards and amendment charges. In the event of a cancellation of a booking secured by a low deposit, we reserve the right to collect the balance of the full deposit amount. You may be able to make a claim under your travel insurance policy if your cancellation falls within the conditions of the policy. Claims must be made directly to the insurance company concerned. Where any cancellation reduces the number of full paying party members below, the number on which the price, and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly. If any member of your party is prevented from travelling, that person may transfer their place to someone else (introduced by you) providing we are notified not less than two weeks before departure. Where a transfer to a person of your choice can be made, all costs and charges incurred by us and/or incurred or imposed by any of our suppliers as a result together with an amendment fee of £25 per person, must be paid before the transfer can be affected. As most airlines do not permit name changes for any reason, these charges are likely to be the full cost of the flight.

ESCORTED TOURS CANCELLATION CHARGES

Period of notice given prior to your departure date	Amount of cancellation fee (expressed as a % of the holiday cost)
More than 56 days	Deposit
29-56 days	30% of total cost of holiday
28-15 days	50% of total cost of holiday
14-7 days	80% of total cost of holiday
0-6 days	100% of total cost of holiday

NOTE: If deposit is greater than % figure, full deposit will equal the fee

IF YOU CHANGE YOUR BOOKING

Should you wish to make any changes to your confirmed holiday, you must notify us in writing as soon as possible. Whilst we will endeavour to assist, we cannot guarantee we will be able to meet any such requests. Where we can, an amendment fee of £25.00 per booking per item being changed will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. A change of holiday dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the holiday price where, for example, the basis on which the price of the original holiday was calculated has changed.

IF WE CHANGE OR CANCEL YOUR BOOKING

We start planning the holiday offers many months in advance. Occasionally, we may have to make changes to and correct errors in brochures, both before and after bookings have been confirmed. Whilst we always try to avoid making changes and cancellations, we must reserve the right to do so. Most changes are minor and we will try to tell you of such changes before you leave on holiday. Occasionally, we have to make a significant change to your holiday before departure such as the following: a change of outward departure time of more than 12 hours; a change of departure point to one which is significantly more inconvenient for you; a change of destination (ie. Country); a significant change in itinerary; a change of accommodation to that of a lower category for the whole or the majority of your holiday. If there is time to do so before departure, we will offer the following options: (a) (for significant changes) accepting the changed arrangements; (b) transferring to an alternative holiday specifically offered by us, of a similar standard to that originally booked if available. If your alternative holiday is cheaper than the

original one, we will refund the price difference. If you do not wish to accept this alternative you may choose any of our other available holidays and pay the applicable price of any such holiday. This will mean you paying more if it is more expensive, or receiving a refund if it is cheaper; or (c) cancelling or accepting the cancellation, in which case you will receive a full and prompt refund of all monies you have paid to us. Please note: the above options are not available where any change made is a minor one. If we have to make a significant change, or cancel, we will pay you the compensation set out in the table below, subject to the following exceptions: compensation will not be payable, and no liability beyond offering the above mentioned choices can be accepted, where (i) we are forced to make a change, or cancel, as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care; or (ii) we have to cancel because the minimum number of bookings necessary for us to operate your holiday has not been reached. No compensation will be payable, and the above options will not be available, if we cancel as a result of your failure to comply with any requirement of these booking conditions entitling us to cancel (such as paying on time), or if the change made is a minor one. A minor change is any change which, taking account of the information you have given us at the time of booking, or which we can reasonably be expected to know as a tour operator, we could not reasonably expect to have a significant effect on your holiday. A change of flight time of less than 12 hours, airline (except as specified below), type of aircraft (if advised) or destination airport will all be treated as minor changes. We will normally seek to notify you no more than 14 days before departure. *Compensation, where shown as a percentage, is calculated on the basis of the basic holiday price paid, excluding, any credit/charge card and amendment/cancellation charges. In all cases, our liability for significant changes and cancellations is limited to offering you the aforementioned options and, where applicable, compensation payments. Very rarely, we may be forced by 'force majeure' (see below) to change or terminate your holiday after departure, but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we regret we will be unable to make any refunds (unless we obtain any refunds from our suppliers), pay you any compensation or meet any costs or expenses you incur as a result.

COMPENSATION

Period of notice given prior Compensation per fare to your departure date paying person

More than 4 weeks Nil
Within 4 weeks £5.00
Within 2 weeks £10.00

FORCE MAJEURE

Except where otherwise expressly stated in these booking conditions, we regret we cannot accept liability or pay any compensation where the performance, or prompt performance, of our contractual obligations to you is prevented or affected, or you otherwise suffer any damage, loss or expense of any nature as a result of 'force majeure'. In these booking conditions, 'force majeure' means any event or circumstances which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events or circumstances may include (whether actual or threatened) war, riot, civil strife, terrorist activity, industrial dispute, natural or nuclear disaster, adverse weather conditions, fire, pandemics/epidemics, closure of airports or airspace, volcanic activity and all similar events outside our control.

OUR RESPONSIBILITY FOR YOUR HOLIDAY

(1) Subject to the above we promise to make sure that the holiday arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these Booking Conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers). (2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following: - the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or 'force majeure' as defined above. (3) Please note, we cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised in our brochure and we have not agreed to arrange them and any excursion you purchase in resort. Please also see below. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you. (4) The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws and regulations of the country in which your claim or complaint occurred - will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the UK which would have applied had those services been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holidaymaker to refuse to take the holiday in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in paragraph (1) above. We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care. (5) As set out in these Booking Conditions we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,500 per person affected unless a lower limitation applies to your claim under this clause or clause 6 below. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 6 below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your holiday. (6) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea, rail or road carrier or any stay in a hotel, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier or hotel keeper concerned would have to pay under the International Convention or regulation which applies to the travel arrangements or hotel stay in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for air lines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (as amended by the 2002 Protocol where applicable) and COTIF, the Convention on International Travel by Rail). Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. Please also note that each convention specifies the limits for making claims, which may be as little as one year from the date of the relevant incident arising. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are available from us on request. PLEASE NOTE: The sums payable under the applicable International Convention or Regulation may well be less than a court would otherwise award to a person suffering any such loss not arising out of the travel arrangements referred to above. You may therefore wish to consider insuring for the possibility of such unfortunate events but in doing so should be careful to note any limitations and restrictions contained in the insurance policies. (7) PLEASE NOTE, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from our breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot acceptability for any business losses.

IF YOU HAVE A COMPLAINT

Should you have a complaint about any aspect of your holiday, you must notify our Tour Manager or one of our representatives, together with the supplier of the services in question, immediately so that the problem can be quickly resolved whilst on holiday. Any verbal notification must be put in writing and given to our representative / agent and the supplier as soon as possible. If the matter cannot be resolved, you must immediately complete a Customer Complaint Form (available from our Tour Manager/ representative) with details of your complaint. If we do not have or you cannot contact our local representative or agent and any complaint or problem is not resolved to your satisfaction by the supplier, you must contact us in the UK using the contact details we have provided you with during your holiday, giving us full details and a contact number. Until we know about a complaint or problem, we cannot begin to resolve it. Most problems can be dealt with quickly. If you remain dissatisfied, you must write to us within 28 days of your return from holiday quoting your booking reference. Any complaints concerned with the arrangements of your holiday will be dealt with carefully and fairly by our staff.

HOLIDAY INSURANCE

We consider adequate travel insurance to be essential. Details of the policy we offer are shown on our website. If you decide not to purchase this insurance, you must purchase alternative insurance prior to your departure. Please read your policy details carefully and take them with you on holiday. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs. We do not check alternative insurance policies.

SPECIAL REQUESTS

If you have any special request (such as a low floor, adjacent room, etc.), you must advise us of these at the time of booking. Although we cannot guarantee that your request will be met, we will certainly pass on your requests to the supplier concerned. Confirmation that a special request has been noted or passed on to the supplier will be made at the time of booking. We regret we cannot accept any conditional booking, i.e. any booking that is specified to be conditional on the fulfilment of a particular request.

PASSENGERS WITH HEALTH CONSIDERATIONS/DISABILITIES

Our holidays may not be suitable for people with certain disabilities or medical conditions. If you have a disability, coaches/other forms of transport can be difficult to get on and off and some of our hotels do not offer ground/lower floor accommodation or lifts/easy access. We always endeavour to assist if we reasonably can where additional equipment needs to be transported in relation to a disability or medical problem. However, please bear in mind that the coaches we use are subject to overall weight restrictions and have limited space to accommodate the luggage of all passengers. If we have already agreed to transport such additional equipment for an earlier booking, we may be unable to do so for a later booking for the same coach. This is particularly the case where any such equipment is relatively bulky or heavy. We will not usually be able to carry more than one mobility scooter on a coach. Carriage of any equipment is subject to its individual size, weight and other details, full details of which must be provided at the time of booking. Airlines and rail operators have their own restrictions on the carriage of such equipment. Should you suffer from any disability or medical condition which may affect your holiday, you must provide full verbal and written details at the time you book the holiday, including any specific requirements you have. We can then advise you of the suitability of your chosen arrangements. Additionally, at the time you book the holiday, you must provide verbal and written confirmation that all assistance required will be provided by your travelling companion(s). You must also notify us of any changes or deterioration in the disability or medical condition, or development of any disability or medical condition after booking. In view of the nature of our holidays, we regret we must reserve the right to decline any booking or cancel (in the event of the development, deterioration or change of any disability or medical condition occurring after confirmation) whenever we reasonably feel unable to accommodate the needs or restrictions of any particular customer further reserve the right to cancel any holiday and impose cancellation charges if we are not fully advised of any relevant disability or medical condition at the time the booking is made and/or promptly notified of any development, change or deterioration occurring after booking. On occasions, the decision to cancel can only be made at the time the person concerned joins the coach/holiday for the first time as it may only be apparent at this stage that their disability or medical condition cannot be accommodated. We recommend that any customer affected by a disability or medical condition ensures they have notified this to their travel insurers, and that their travel insurance will cover it.

YOUR BEHAVIOUR

When you book with us, you accept responsibility for any damage or loss caused by you. Full payment for any such damage or loss must be paid direct at the time to the accommodation owner or manager or other supplier. We expect all clients to have consideration for other people. If, in our reasonable opinion or in the reasonable opinion of any other person in authority, you or any member of your party behaves in such a way as to cause or likely to cause damage, upset or distress to any this party or damage to property, we are entitled, without prior notice, to terminate the holiday of the person(s) concerned. No refunds will be made and we will not pay any expenses or costs incurred as a result of this termination, including alternative accommodation or alternative travel arrangements.

FLIGHTS

In accordance with EU Directive (EC) No 2111/2005 Article 9, we are required to bring to your attention the existence of a "Community list" which contains details of air carriers that are subject to an operating ban with the EU Community. The Community list is available for inspection at http://ec.europa.eu/transport/air-ban/list_en.htm. We are also required to advise you of the carrier(s) (or, if the carrier(s) is not known, the likely carrier(s)) that will operate your flight(s), at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. We are not always in a position at the time of booking to confirm flight timings which will be used in connection with your flight. The flight timings and types of aircraft (if shown) in this brochure and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. The latest timings will be shown on your tickets, which will be dispatched to you approximately 10 days before departure. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times. It is possible that flight times may be changed, even after tickets have been dispatched. We will contact you as soon as possible if this occurs. Any change in the identity of the carrier, flight timings, and/or aircraft type will not entitle you to cancel or change to other arrangements without paying our normal charges, except where specified in the Booking Conditions. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban, as above, as a result of which we/ the carrier are unable to offer you a suitable alternative, the provisions of 'if we change or cancel your booking' above will apply.

DELAY AND DENIED BOARDING REGULATIONS

In the event of any flight delay or cancellation at your UK or overseas point of departure, the airline is responsible for providing such assistance as is legally required by the Denied Boarding Regulations (see below). The ferry, tunnel or rail operator is similarly responsible in relation to any delayed or cancelled sea crossing or international rail departure. Except where otherwise stated we regret we cannot provide any assistance in such circumstances other than information and advice to the extent we are in a position to do so. We regret we are not in a position to offer you any assistance in the event of delay at your outward or homeward point of departure. Any claims concerned may however provide references etc. We cannot accept liability for any delay which is due to any of the reasons set out in clause "Our Responsibility for your Holiday (2)" of these Booking Conditions (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time). In addition, we will not be liable for any delay unless it has a significant effect on your holiday arrangements. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any interest or expenses, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If, for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If your airline does not comply with these rules you may complain to the Civil Aviation Authority on 020 7453 6888 or by e-mail to passengercomplaints@caa.co.uk or see www.caa.co.uk - Referring Your Complaint to the CAA.

FINANCIAL PROTECTION

We hold an Air Travel Organiser's Licence issued by the Civil Aviation Authority (ATOL number 9078). When you buy an ATOL protected flight or flight inclusive holiday from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to accept that any payment or other sum due to you under your contract to be at the alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to

provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. Please note: Not all holiday or travel services offered and sold by us will be protected by the ATOL scheme. *The air inclusive holidays and flights we arrange are ATOL protected providing they are made available in the UK. For further information, visit the ATOL website at www.atol.org.uk.

For non air inclusive holidays or travel, Travel Solutions Ireland Limited operates a client trust account in accordance with the Package Holiday Act 1992. This account is administered by an independent trustee, and in the unlikely event of insolvency, monies will be secure to ensure that you can continue with your travel arrangements, or receive a full and prompt refund. Conditions of suppliers Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable international conventions (see clause "Our Responsibility for your Holiday (6)"). Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned. Excursions, activities and general area information We may provide you with information (before departure and/or when you are on holiday) about activities and excursions which are available in the area you are visiting. We have no involvement in any such activities or excursions which are neither run, supervised, controlled nor endorsed in any way by us. They are provided by local operators or other third parties who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/other third parties and/or assist you in booking such activities or excursions in any way such as through one of our representatives when you are on holiday. We cannot accept any liability on any basis in relation to such activities or excursions and the acceptance of liability contained in clause "Our Responsibility for your Holiday (1)" of our booking conditions will not apply to them. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury. We cannot guarantee accuracy at all times of information given in relation to such activities or excursions or about the area you are visiting generally or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities or excursions referred to in our brochure, or our website and in our other advertising material which are not part of our contract are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to area information and/or such outside activities or excursions which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of booking.

PASSPORTS, VISAS AND HEALTH REQUIREMENTS

The passport and visa requirements applicable at the time of printing to Irish and British citizens for the holidays we offer are shown at www.fco.gov.uk (British Passport) and www.dfa.ie/travel (Irish Passport). Requirements may change and you must check the up to date position in good time before departure. A passport presently takes approximately 2 to 6 weeks to obtain. If you or any member of your party is 15 or over and haven't yet got a passport, you should apply for one at least 6 weeks before your holiday. The UK/Irish Passport Service has to confirm your identity before issuing your first passport and may ask you to attend an interview in order to do this. If you or any member of your party is not an British or Irish citizen and holds a non British or Irish passport, you must check passport and visa requirements with the embassy or consulate of the country(ies) to or through which you are intending to travel. Details of any compulsory health requirements applicable to British and Irish citizens for your holiday are shown at www.nathnac.org. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre www.nathnac.org. Information on health abroad is also available on www.nhs.uk/Livewell/Travelhealth. For holidays in the EU/EEA you should obtain an EHIC (European Health Insurance Card) prior to departure from www.ehic.org.uk. An EHIC is not a substitute for travel insurance. Vaccination and other health requirements/recommendations are subject to change at any time for any destination. Please therefore check with a doctor or clinic not less than six weeks prior to departure to ensure that you have met the necessary requirements and have the applicable information. It is the party leader's responsibility to ensure that all members of the party are in possession of all necessary travel and health documents before departure. All costs incurred in obtaining such documentation must be paid by you. We regret we cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry all required documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty, costs overpays being imposed on or incurred by us, you will be responsible for reimbursing us accordingly.

SAFETY STANDARDS

Please note, it is the requirements and standards of the country in which any services which make up your holiday are provided which apply to those services and not those of the UK. As a general rule, these requirements and standards will not be the same as the UK and may sometimes be lower.

PRICE GUARANTEE

Once we have issued a confirmation, we guarantee that absolutely no surcharge will be added to the price of your holiday irrespective of any subsequent fluctuation in currency exchange rates or increases in airfares etc. In return for this guarantee and its risks to us, we shall not be able to make any refunds in the event of favourable exchange rate variations or other decreases in costs etc.
