NORTHERN LIGHTS WINTER EXPLORER

G ADVENTURES TOUR

Winter in the Canadian Rockies hits different - the air's crisper, the mountains feel bigger, and everything slows down under a thick, magical blanket of snow.

On this nine-day adventure, you'll explore the iconic landscapes of Banff, Lake Louise, and Jasper, then dive deeper into local culture at Alberta's first and only Métis cultural interpretive centre. Spot wildlife, learn the stories and traditions of the Métis, and watch the sky for a chance to see the Northern Lights. From snowshoeing through powdery meadows to cruising the legendary Icefields Parkway, this is winter in its purest form - wild, beautiful, uncrowded, and full of meaning.

Physical Grading – Light : Light walking and hiking suitable for most fitness levels. Nothing too challenging.

Trip Highlights – Hike through Johnston Canyon past towering icicles and frozen waterfalls - ride a gondola to Sunshine Meadows for a snowshoe trek through pristine powder - take in sweeping views of glaciers snow-capped peaks and icy lakes along the Icefields Parkway - connect with Métis culture during an immersive lodge stay near Smoky Lake - spot wildlife on a morning excursion across the lands of Métis Crossing - gaze at the stars and hear ancestral stories during a night of Métis sky lore and constellations.
